MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: NIPM Distribution

1. Ken Dam called late Monday evening, in response to a conversation we had had earlier in the day, to say that he had no strong inclinations either way on the timing of dissemination to State and Defense and felt he would prefer to leave your hands free on the matter. As we discussed it, I told him I would probably recommend to you that copies go out by the middle of the week, particularly, insofar as Defense is concerned, as they will be engaged in this joint budgetary review with OMB, starting 23 October.

2. I also told Dam you were planning to send a copy to George Anderson of PFIAB and suggested this would probably go out sometime next week. Dam concurred.

3. I would thus suggest that the State and Defense copies go out Wednesday and the PFIAB copy early next week. I am attaching suggested memoranda of transmittal for your signature.
